

WASHBURN MEMORIAL LIBRARY

BOARD OF TRUSTEES

FEBRUARY 13, 2020, MEETING NOTES

Present were: Rita Kingsbury, Londa Brown, Christina Maynard, Charlotte Griffin, Beverly Turner, Donna Turner--Town Manager, and Lois Walton--Librarian.

Chairperson, Rita Kingsbury, called the meeting to order at 5:05 p.m.

Secretary's Report: Bev read the minutes from the January 16, 2020, meeting. Londa made a motion to accept the minutes as presented. Christina seconded the motion; so voted.

Financial Report: No financials were reviewed, as we just had the Budget Committee Meeting on Monday, February 10.

Librarian's Report: The librarian's report regarding patrons, circulation, and computer usage was reviewed. Lois indicated that computer usage was down. Lois also presented a list of memorials for 2019 together with information for the town report.

Old Business:

- A. Ye Olde Book Shoppe is still open during library hours. We have taken in a little money during the past month or so.
- B. We have now received notice of approval for the 501(c)(3) status as discussed at last month's meeting.
- C. The next King grant application is due in June. Londa has things lined up so that we can submit the application for funding for the new Children's Section. She has been working on the physical part of things. Erica McCrum, the Maine Community Foundation representative in the County, is planning to set up a meeting regarding programming and use of the grant funds.
- D. As discussed in past meetings, some furniture will need to be moved in order to set up the new Children's Section. If the men from the Town

- departments are not able to do this, Rita will talk to Don Hanson about having his students do it. Either way we will wait for better weather.
- E. The short book rack that is almost empty downstairs needs to be taken down. We will try to sell this for \$50.00.
- F. A discussion was again held regarding programming services, and the following ideas were mentioned:
- Courtney Howe will do a craft day one Saturday per month
 - Jim Cray—maybe he would teach fly tying
 - Robert Hohmann—would do some computer, Excel, etc. teaching
 - Maybe a middle school or high school book club
 - Gary Cole may be willing to teach some painting when he gets back

New Business:

We need to give some consideration to someone else to work in the library. Londa and Rita are not always available to fill in. We may need to get someone in addition to Janet to work part time as needed.

We need to consider changing the time of our meetings to accommodate some work schedules. Londa made a motion to change our meeting times from 5:00 p.m. to 5:30 p.m. Christina seconded the motion; so voted.

The next meeting will be held on Thursday, March 5, 2020, at 5:30 p.m.

At 5:55 p.m. Londa made a motion to adjourn the meeting. Christina seconded the motion; so voted.

Respectfully submitted,

Beverly Turner, Secretary

Washburn Memorial Library
2019 Annual Report to the Town of Washburn

Hours: Tuesday: 1-7; Wednesday – Friday: 10-4:30, Saturday: 9-12

Every corner of the Washburn Memorial Library is being used and enjoyed. The building provides space for the Girl Scouts to meet, the knitters from the Knitting Studio to knit, the toddlers to hear a story and do some crafts during Toddler Story Time, elementary and high school students to come for a Saturday craft time, the book club to meet, the Summer Reading Program children to learn more about space, first time computer people to begin to feel comfortable with using a computer, and the Lego group to explore the amazing versatility of LEGO. The WML attendance in 2019 is estimated at over 4,500 visits. The **Barbara Porter Room** had over 700 people use that beautiful room this last year! You can visit our library website at www.washburnlibrary.com to keep current with what is happening at the library. Our Facebook page is also a great place to visit.

Library services are free and include high-speed Internet access, computer use, Maine Digital Library, iPads, community events, CloudLibrary with library card, Toddlers Story Time, HeritageQuest or Ancestry Library to explore your background, and OPAC (online public access catalog) to search for your favorite read or movie.

Ye Olde Book Shoppe became a source of revenue for the library through shoppers generous donations. It is regularly open Tuesday evenings while the knitting ladies are meeting and anytime during the day that the library is open. The Board of Trustees has done a great job of keeping it updated and in order for your shopping pleasure. The money from the book store is going toward a new children's area. The Saturday during August festival saw over 60 people shopping.

The Lego grant provided the library with money to purchase enough Lego pieces to offer a Lego group for children from grades 4, 5, and 6. In cooperation with Marcie from the rec center, this group enjoyed the adventure of LEGO. Thanks to Marcie and the teenagers who helped her during the 6 weeks that this program ran. The United Way of Aroostook provided each student with set Lego set upon completion of the six weeks.

In preparation for the Summer Reading Program several of the elementary classes came to visit the library. SRP ran for 5 weeks with Emerson Turner and friends facilitating a weekly get together for those children participating. SRP revolved around space. Those who completed the program were eligible for some great prizes, a Nook, an iPad keyboard and an iPad cover. Eight children took part in this program.

In the fall all the lights were replaced with LED lights which have really brightened up the building. A heat pump was installed where the air conditioner was. Both of these projects will hopefully lower our electricity and heating bills. Jared Leadbetter from the State library came and installed a device that will count every time someone logs on to ourWiFi. It will be a useful tool for reporting to the state and help the library continue to receive its WiFi connection.

Girl Scouts met 25 times during the year with an average of 6 girls attending. Toddler Story Time met 17 times with an average of 6 children attending. Thank you to Laura Hale and Courtney Howe for facilitating this program. The Knitting Studio began meeting Tuesday evenings with an initial group of 14 women and children. This group continues to meet weekly. The book club met during the winter months and disbanded in the summer from lack of interest. The Lego group met for 6 weeks in the spring with 8 children participating. Thank you to Marcie and several high school volunteers for making this program so much fun. Mrs. Sines 1st grade class has been coming monthly to the library since school started up again this fall. The students get to browse the library for books of their choice and have a story.

The library had 3, 819 patron visits and 2, 649 people who logged on to use the computers' internet. Weeding and inventory continue. 644 items were adding to the collections. 3,466 items were deleted from the collections. The current number of items in the library are 17,202. During the year 2,478 items were checked out by the patrons.

This fall the board decided to change the hours the library was open. The new hours are at the top of the page. We have received our 501(c)3 status which allows us to apply for some grants that otherwise we would be missing out on. The library will be applying for another Stephen King grant to help with getting the new childrens' area complete.

Thanks to the board and many, many volunteers who make the library a vital part of our community.

Respectfully submitted,

Lois Walton
